

Birtley West Wing

Close Care Apartments

Currently Available: Lakeview Apartment

Lakeview is the largest of our West Wing apartments. This prestigious apartment is situated on the second floor of Birtley House and has spectacular views across the Birtley Parkland to the Surrey Hills beyond.

The spacious apartment comprises a double aspect sitting room, two bedrooms (bedroom 2 could be used as a study) and a large bathroom complete with bath and large walk-in shower. Lakeview also benefits from the use of a tea-making facility which is situated on the landing and is shared with the neighbouring apartment.

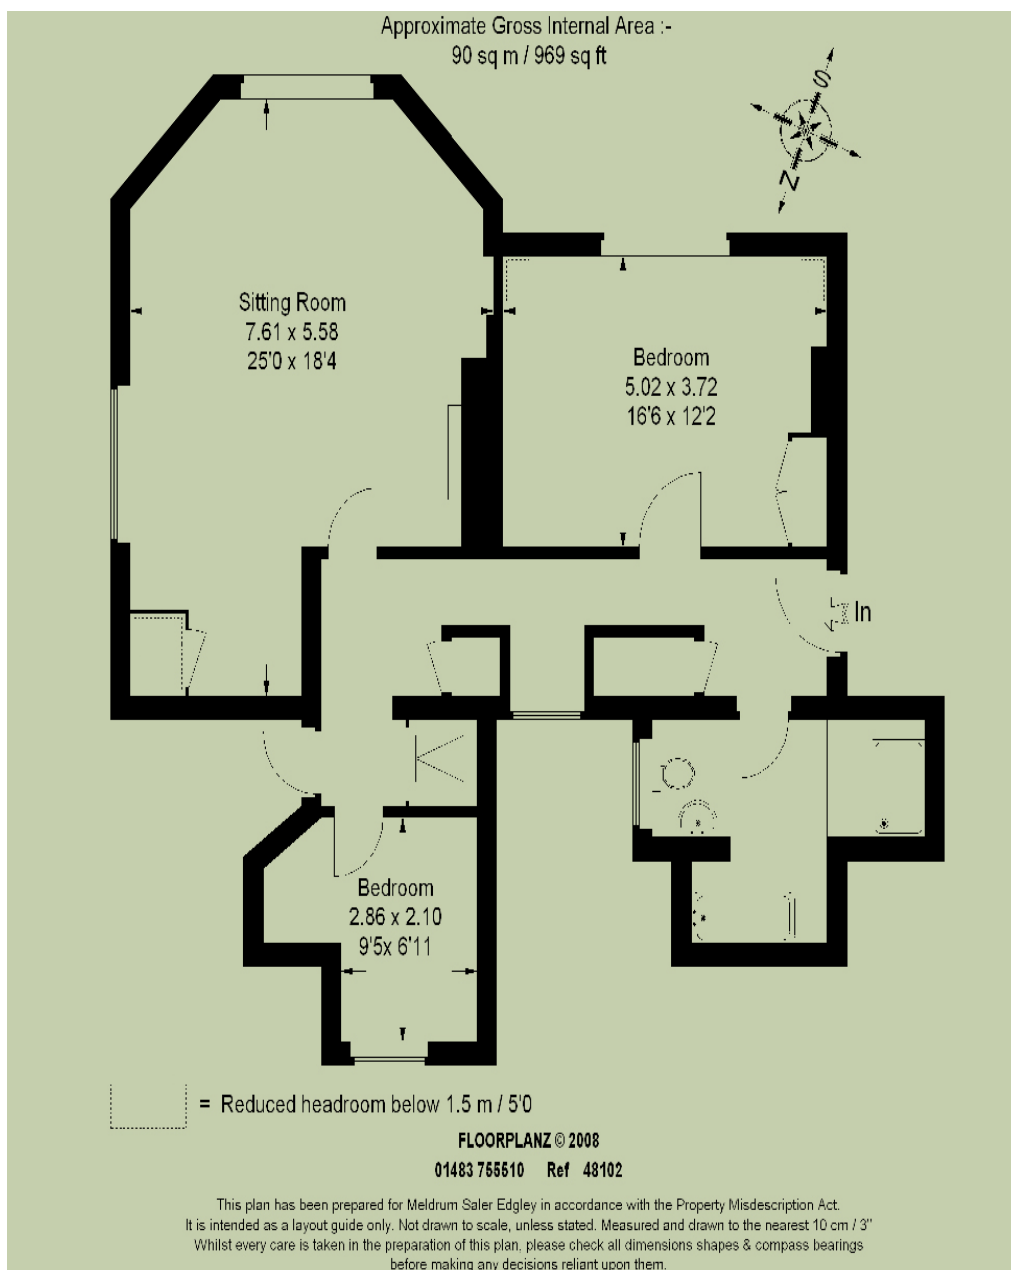

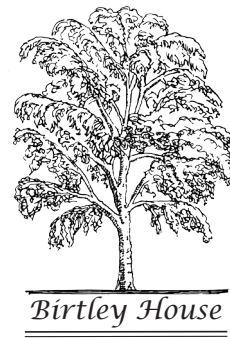

The second floor is serviced by a large, glazed lift which gives direct access to the Orangery Dining Room and the Drawing Room.
